3rd June 2014

Dear member

BPTA Growing Crop Classification Training

Date: Monday 23rd June 2014
Location: Scottish Agricultural Science Agency
Gogarbank, Edinburgh

Your Association in conjunction with SASA is planning to hold a Growing Crop Classification Training Refresher Course on Monday 23rd June 2014 at Gogarbank, Edinburgh.

This is in line with a previous Council decision to hold 1-day refresher courses for both growing crop and tuber classification in alternate years rather than full 2-day courses.

An illustrative programme for the event is attached. The course will attract BASIS points.
The cost of attendance will be £150 per delegate to include lunch and morning and afternoon coffees. The course does not attract VAT.

Please complete and return by email the enclosed application form as soon as possible and by 16th June 2014 at the latest. Please do not send payment at the moment. An invoice will be issued in due course.

Yours sincerely

Charles W Greenslade
Secretary
