WORLD POTATO MARKETS

INDISPENSABLE MARKET NEWS AND ANALYSIS FOR WORLD POTATO PROFESSIONALS

Special Offer

Half Price World Potato Markets 2015 Potato Market & Trade Review for BPTA members

More than 100 pages of analysis and projections for the international potato market including:

- European and North American 2015 area projections.
- Output, yield and price projections for 2015.
- A full annual review of ware, fry, seed, flake, flour, dehy, sweet potato and frozen potato trade by volume, value and price.
- Sections on potato consumption, costs of production and the effects of currency and economy

The 2015 Potato Market & Trade Review is published in English in an easy to read A4 book format providing your business with invaluable insight to the market. The review complements the weekly World Potato Markets information service which is used by the world's leading potato companies. The review is free to those full subscribers.

The normal price for the 2015 Potato Market & Trade Review is £190, but BPTA members can receive it for just £95 by emailing World Potato Markets at info@worldpotatomarkets.com or calling 0044 1892 543444 or 0044 7881 956446.
